Chapter 40

*I was relieved when  
I came back.*

*I thought that if I disappeared,*

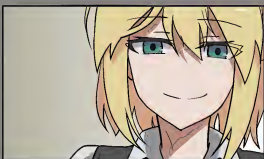

*Sung-tae would be lonely...*

*But that wasn't the case at all.*

*Instead, he had his  
girlfriend there for him.*

Hana has the ability to...

stop time.

She was classed A, regardless of her killing potential.

It's a very rare and strong ability.

However,

*Hanal*

*Hanal*

Hang in there!

Ga-ram...? Are you okay...?

You're in no position to be worrying about me!

Just wait a bit longer!! Miss Oh and Ji-won oppa are coming right now! The hospital is nearby; you'll be okay.

Ga-ram...

can you hold...

my hand?

Sung-tae's  
girlfriend!

Of course, I  
didn't expect you  
to be around.

To be honest,

I'm glad...

to have met you.

Ga-ram...  
I...

I don't regret  
this decision at all.

...Hana.

Ah... But...

I...

really...

*Lonemanga&*

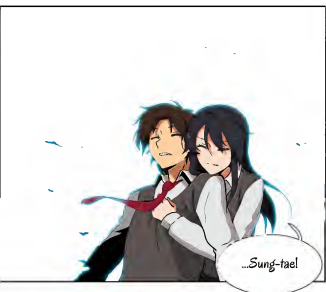

wanted to go  
to the be...a...

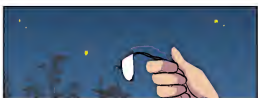

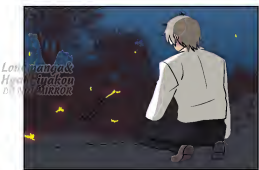

Hana...?

Hana is...!

That's how it ended.

After all that,

Sung-tae...

failed to recognize anyone.

That's...  
how it ended.

A couple of days later, Hana's body was cremated.

We wanted to grant  
her last wish.

And just like Sung-tae,

we also forgot how to speak for a long time.

Now, those two are worn out, but still dance the waltz together.

"Waltz of the Two" by Girls' Waltz?

They smile,

Daebak!

laugh,

Sung's girlfriend!

and wipe away each other's tears.

With their fingers entwined,

Thanks.

they forget all their worries...

and spin around  
and around...

in their waltz.

Even when cold rain  
falls on dark nights,

I'll support you  
as we continue our  
journey.

I won't cry..

with you by  
my side.

Let's laugh and  
let love heal our  
wounds.

Take my hand  
and let's forget our  
troubles as we dance  
in this waltz.

Together,

for now and  
the days to come,

let's look  
forward to a  
brighter future...

and live on.
